Powering Indiana Ventures

## About

As a catalyst for increased investing in Indiana businesses, the Venture Club of Indiana creates opportunities for regular networking, education and information sharing through its programs, seminars, and monthly luncheon meetings. The Venture Club of Indiana is a member-based, volunteer-led organization that thrives on the ideas and efforts of its members. Since its inception in 1984, the club has been dedicated to helping entrepreneurs, investors and the professional community convene to network.
